Welcome to the GSC
A Center for Students

The mission of the Gender and Sexuality Center: Serving Women and LGBTQ+ Communities (GSC) is to provide safe space for all members of the UT Austin community to explore, organize, and promote learning around issues of gender and sexuality. The center also facilitates a greater responsiveness to the needs of women and LGBTQ communities through education, outreach and advocacy.

What we offer at the GSC...

A safe, comfortable space: Visit us at any time to seek help, do homework, meet friends, or simply hang out. We have student computer workstations, a library, board games, a conference room, and resources on a variety of topics for your research, organizing, and/or personal questions.

Mentorship programs: The GSC coordinates women’s and LGBTQ+ mentor programs that pair interested students with faculty and staff who can provide guidance and support on issues from academics to life on campus.

Walk-in advising: We offer support and assistance to any individual or organization and provide referrals to other on- and off-campus resources. Walk in or make an appointment to meet with us.

Co-sponsorship of student events/programs:
The GSC has storage and meeting space for student organizations and provides financial support for their programs around topics of gender and sexuality.

Lending library: The Ana Sisnett Library at the GSC has a collection of over 700 books, magazines, videos, and DVDs available for check out. Come in and browse or search our holdings online at:

Calendar of events: We sponsor programs, workshops, and speakers throughout the year. Check out the Google calendar on our website or grab a paper copy in the GSC so you don’t miss out!

Weekly e-bulletins: Get connected with our weekly emails for news on events, scholarships, student groups, and opportunities at UT Austin and in the community. To sign up, email your name to gsc@austin.utexas.edu.

Feminist Action Project: Feminist Action Project is a student group that organizes activist projects and a student-driven conference in the spring semester. The conference mission is to create an interactive state-wide event focused on social justice and feminist intersectionality.

Peers for Pride: Peers for Pride (PfP) is a two-semester program designed to get students active as leaders on campus by conducting workshops in which they facilitate dialogue on issues facing LGBTQ+ individuals through student-written monologues. Applications are available in the spring semester on our website. Students receive academic credit for social work or women’s and gender studies.
